

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF NORTH)
SHELBY WATER DISTRICT)CASE NOS. 94-042
) and 94-096

O R D E R

On February 14, 1994, North Shelby Water District ("North Shelby") filed an amendment to Case No. 94-042 for the purpose of including an increase by the Frankfort Electric and Water Plant Board ("Frankfort Plant Board") to its purchased water adjustment application.

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that:

1. North Shelby purchases water from three suppliers, Louisville Water Company, Shelbyville Municipal Water, and Frankfort Plant Board.

2. Shelbyville Municipal Water and Louisville Water Company are not increasing its rates at this time.

3. North Shelby proposes to increase its rates to its customers pursuant to the increase from Frankfort Plant Board, effective February 21, 1994. Frankfort Plant Board has proposed to increase its rates effective January 1, 1994.

4. Kentucky River Authority has postponed the effective date for its increase to the Frankfort Plant Board until April 1, 1994;

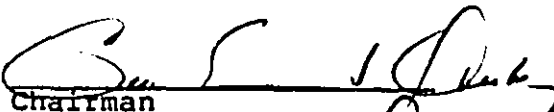

therefore, North Shelby's increase should not go into effect until April 1, 1994.

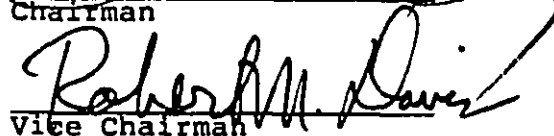

5. Given the different effective dates, a separate case file should be set up for the purchased water adjustment from Frankfort Plant Board.

IT IS THEREFORE ORDERED that a separate case file for the purchased water adjustment from Frankfort Plant Board to North Shelby shall be created and the information filed in Case No. 94-042 be and is hereby incorporated into Case No. 94-096. The effective date of filing shall be February 14, 1994.

Done at Frankfort, Kentucky, this 11th day of March, 1994.
